**AUTHOR PDF REPRINT ORDER FORM**  
**The Journal of Wildlife Diseases**  
**(Please return Reprint Order Form pages 1 and 2 when ordering a PDF)**

**NOTE:** Unauthorized uses of copyrighted materials are prohibited by law. The PDF file of this article is provided subject to the copyright policy of the journal. Please consult the journal or contact the publisher if you have questions about copyright policy.

**AUTHOR PDF FILE COSTS:**

1. Ebook PDF - \$57.00  
 Ebook PDF files are produced at 600 DPI resolution and are suitable for web site viewing. Printed copies of these files will be the same quality as any material printed from a web site. Fine details may not reproduce exactly as they appear in the journal due to file resolution and printer capabilities.
2. Laser PDF - \$134.00  
 Laser PDF files are produced at 1200 DPI and are suitable for printing on a laser printer. Printed copies of these files will be the same quality as any material printed from a laser printer. Print resolution and color reproduction will be directly related to printer capabilities up to a maximum of 1200 DPI.

**AUTHOR PDF FILE DELIVER:**

1. Email or FTP Site posting – no additional charge.
2. CD-ROM – add \$17.00; DVD – add \$36.00; delivery by 1<sup>st</sup> Class Mail. Special delivery options are extra, call for quote.

ITEM	COST (please circle)

<b>TOTAL COST (include on front of order form)</b>	

**TERMS OF SALE:**

1. Article PDF files are not available until after printing of journal in which the article appears.
2. Prepayment or copy of U.S./Canadian purchase order required before file is downloaded.
3. Email delivery is the standard method. If file size is too large for email delivery, mainly large Laser files, Allen Press will load file on FTP site for download. Purchaser will be notified by email with web site address and download instructions.
4. Allow 7-10 working days from payment receipt for delivery of PDF file.
5. Purchaser affirms that he/she is the author or designated representative of author and assumes all liability for the proper use of this file in accordance with the Society's copyright policy.
