Over 60 wildlife professionals, including 14 other wildlife veterinarians have contributed content for this course.

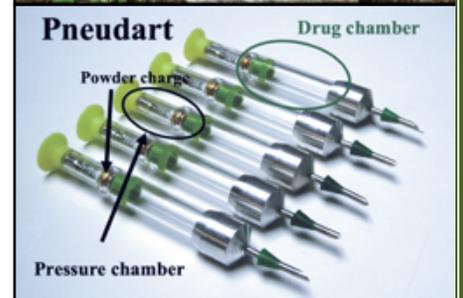

**This is an independent course** you take on your own time with Dr. Mark's support throughout the year.

**There are 4 ways to use the course:**

1. Take the course with my steady support and receive the Certificate of Training.
2. With access for a full year, go back to the course content any time as a "Go To" Library. You also have the 150 page course notebook.
3. Go back to the course at any time and follow the Additional Learning Activities. These include:
  - Suggested hands-on labs
  - Additional wildlife handling videos
  - Additional Reading
  - Agency Policy and Protocols
  - Links to additional online instruction
  - Vendor websites and instructional videos
4. Use the course to receive agency certification, get continuing education, or build a resume.

**For detailed information visit the [Foundations Course Information Page](#).**

**Sign up for the GWR monthly newsletter for course updates, blog articles, tips & tricks.**
